

JOI'S SAFETY TRAINING CALENDAR

Laundry Division Fiscal Year 2025/26

Objectives

- A consistent, company-wide safety message provided on a monthly basis
- Provide management with tools necessary to have effective safety training sessions

Why is this important?

JOI's Monthly Safety Training Calendar is designed to ensure JOI's field management team is providing all employees with safety training on the topics required by OSHA.

FY 2025/26 Monthly REQUIRED Safety Topics

Training material can be accessed on the JOI Safety Website (<http://safety.jobop.org>). Managers are highly encouraged to conduct **additional trainings** throughout the month as specific safety-related needs or site-specific concerns are identified.

DUE DATE for completed Safety Training Attendance Logs is the first pay day following the completion of each calendar month. Email to: safety@joboptionsinc.org.
